

GEOSYM 2022 Guide for the Oral Presentations

Oral Presentation Submissions

1. The original PowerPoint file and a **10 min video** should be emailed to the relevant co-chair of the track **on or before November 27, 2022 12.00 midnight**.
2. A 10 min (ten-minute) narrated video (format must be MP4 with a resolution of 720p or more) prepared using PowerPoint must be submitted, and this video will be broadcast during the technical sessions of the GEOSYM 2022. **NO live presentations will be performed during the technical Sessions.**
3. The presenter must be online using the given Zoom link to answer any questions asked after the broadcasting of the pre-recorded video.
4. Name of the presenter (the way it should appear in the certificate), along with the affiliation must be sent on the same email with the pre-recorded video. Also, the phone number of the presenter must be provided. The given number will be used at the technical sessions to answer questions in a situation with issues to connect via Zoom.
5. A video guide/Documentation Guide on preparing 10 min video using Microsoft PowerPoint can be found in the below resources.
